Celebrate Community League Day at the Athlone Community Hall!

Join the Athlone/Dunvegan Community League Board on Saturday, September 17th as we celebrate community league day! There will be a balloon maker, bouncy castles, and a face painter, plus food and drinks for all!

This event is a great place to get to know the Board, learn more – and voice your input - about what we do as a community league, and connect with your neighbours. Membership will also be available for purchase.

We look forward to seeing you there!

50/50 Raffle

In cooperation with the Edmonton Federation of Community Leagues, we will be selling 50/50 tickets at the community league day event.

Proceeds support the EFCL's recreational equipment rental program, which rents equipment for communities and organizations at extremely low cost. The Leagues that sell the most or winning tickets also receive direct cash prizes – $2,250 in total.

President's Message

Hi Everyone!

It has been a crazy summer in Athlone. We have had a lot of vandalism at the hall, many times wiring has been removed from multiple locations on the site and our propane tanks have been stolen as well. It is going to cost $6000+ to fix our rink lighting wiring.

In happier news, we are going to come out to see you! With this newsletter you will find a quick questionnaire and we would love to hear your answers. We will be knocking on doors and asking the questions in person, but if you are not home or do not answer, please answer the questions by emailing it@athlone.ca. We would love the input and appreciate the time you take to answer it.

Thanks again,
Melanie Limb
