Balance biking fun in the summer

A fantastic way to get your toddler or pre-schooler riding their bike, starting July!

Little Wheels Training is pleased to offer balance bike training classes and fun riding, starting Tuesday July 2; 9:30 and 10:30 a.m. or 6:00 p.m. at **Athlone Hall at 13010-129 St.**

These 8 class sessions are for ages 2 to 4+. We are offering a beginner class option for the less experienced rider, and an advanced skills option for the little cruiser who wants to do even more! All classes emphasize traffic safety and are lots of fun. Get your little one ready for safe biking and go this summer.

Free "check it out" time, June 24 at 10:30 a.m. at Athlone Hall.

Cost is \$90 per set of 8 lessons. In addition, you are requested to have a community league membership. If not, please purchase one from Athlone on their website. For the classes, bring your own bike if you wish; a helmet and parent involvement is a must!

Don't have a bike? Rent or purchase through our site. (a balance bike is a very small bike without pedals or training wheels)
