## SNOW REMOVAL

We all know the winters in Edmonton can be harsh. Please help contribute to a safer community by keeping your paths clear of ice and snow.

We are pleased to be part of the city's Snow Removal Assistance pilot program this year. You may have seen signs around the neighbourhood in front of houses that require help with snow removal.

If you would like to request help or would like to volunteer to help someone who lives close to you, please reach out to Kim at:

boardmember1@athlone.ca

Let's all help each other out. If you can help a neighbour while you're doing your own property, you are actively making our community a safer, friendlier and happier place to be!

### A Snow Angel is Needed Here!

Can you help clear the snow?

# Sleigh Ride

## Volunteers needed

Have you been looking for a book club?

A knitting group?

A toy swap?

A place to show off your construction tools?

An English conversation class?

Did you know that **YOU** can start a program at our hall?

If you have skills you want to share, ideas you want to contribute, or even if you are simply willing to volunteer some time to support programs at our hall, please reach out to [vicepresident@athlone.ca](mailto:vicepresident@athlone.ca)

Our community is only as vibrant as the people who live in it!

We **all** have the power to build the world we want to live in!

# ATHLONE / DUNVEGAN JAN 2025

The Athlone Dunvegan Community League is run by a volunteer board. It is our goal to provide free and low cost programs and events that enrich our community and serve our neighbours.

We put on events like our Summer Splash and our Winter Sleigh Ride. We offer programs like Parent/Tot drop-in Playtime, Cooking Classes and Zumba. We want to do more but we need **your** help and **your** input.

There is a small cost to being a member (\$10 individual, \$20 family, \$5 senior per year), but it is not something that we want to be a barrier to participation. Email [membership@athlone.ca](mailto:membership@athlone.ca) if cost is a reason for your lack of membership. Membership perks include free swim times at City of Edmonton pools and free skating at all community league rinks.

Our next AGM will be **June 21st** and it is vital that we get attendance from our community. We need to update our bylaws and we need a certain number of members there or we can't help our community move forward. Join our board, we need a treasurer and members-at-large, as well as anyone who is willing to give a couple hours per month of service to their neighbourhood. The bigger our volunteer community - the less time each person will need to give!

If you are interested or have more questions, please come to a board meeting. You can meet us, ask questions or find out what we're all about every 4th Monday of the month! We look forward to meeting you!
